Fields Corporation (Head office: Shibuya-ku, Tokyo; President and COO: Takashi Oya) announces the nationwide release of the new pachislot machine from Olympia Co., Ltd., "*Shin Sangokumusou*."

The new machine makes use of contents taken from the popular game of Koei Co., Ltd., *Shin Sangokumusou 2*. It won great popularity as a strategic action game based on the historical story, *The Romance of the Three Kingdoms*, which depicts the rise and fall of the Three Kingdoms period in ancient China.

Featuring a new body equipped with a 20-inch LCD screen (a first for the "Gold Olympia" brand), this pachislot machine recreates the actions of the heroes who charged headlong into those turbulent times. The contents bring to life the passionate struggles of these unsurpassed warlords over vast lands. Players can fully enjoy the overwhelming exhilaration of being a mighty warrior.

The new machine, which portrays the massive scale of this world, is intended not only for pachislot enthusiasts, but for a wide range of people including computer game fans.

The Shin Sangokumusou pachislot machine is scheduled for delivery in March 2008 to pachinko halls throughout Japan.
