Introducing Much-awaited New Specs: Launch of Bisty's New Pachinko Machine
"CRA Neon Genesis Evangelion Premium Model"

Fields Corporation (Head office: Shibuya-ku, Tokyo; President and COO: Takashi Oya) announces the nationwide release of a new pachinko machine from Bisty Co., Ltd., "CRA Neon Genesis Evangelion Premium Model."

"CR Neon Genesis Evangelion—The Angels Are Back Again," which began shipping at the end of January this year as the latest in the Evangelion series, was well received by both the fans and market, further boosting its credibility as content.

In response to the expectations of its diverse fan base, this soon-to-be-released Premium Model sticks to the brilliant content and complex game play that are the trademark of the Evangelion series, and is to be launched as a "high chance" model that has been preset to make it easier to hit the jackpot. Furthermore, it utilizes new functions, ample graphics and other features characteristic of "high chance" models, enabling fans to enjoy its new potential to the fullest.

The machine's much-awaited new specifications are not only for pachinko enthusiasts, but can also be enjoyed by a wide range of people including fans of animation.

"CRA Neon Genesis Evangelion Premium Model" is scheduled for delivery in May 2008 to pachinko halls throughout Japan.
