## Launch of New Pachislot Machine “Sengoku BASARA 2”

Fields Corporation (Head office: Shibuya-ku, Tokyo; President and COO: Takashi Oya) announces the nationwide release of a new pachislot machine from Enterrise Co., Ltd., an affiliated company of the major game manufacturer Capcom Co., Ltd., “Sengoku BASARA 2.”

Capcom’s stylish hero action game *Sengoku BASARA* was a major hit, selling over 2.2 million units across the series to date\*. Now a popular franchise that has gone beyond game software and expanded into TV animation and other types of media, the game helped to ignite the Sengoku warrior boom and generated a host of new history fans.

This pachislot machine employs content from *Sengoku BASARA 2*, the second installment in the Sengoku BASARA game series. The machine creates a new form of excitement by integrating the various dramatic effects experienced only through pachislot with the game’s boldly interpreted world of the Sengoku warrior. In addition to its “BASARA FEVER” Assist Replay Time (ART) system, this machine also features a newly developed and innovative “cherry combo system,” so players can fully enjoy the waves of anticipation that come over them while playing.

This attention-grabbing machine is not only for pachislot enthusiasts, but a wide range of people including video game fans.

“Sengoku BASARA 2” pachislot machine is scheduled for delivery in February 2011 to pachinko halls throughout Japan.
