Fields Corporation (Head office: Shibuya-ku, Tokyo; President and COO: Takashi Oya) announces the nationwide release of a new pachislot machine from Bisty Co., Ltd., **“MOBASLO Evangelion—for your own wish.”**

Since its appearance in 2005, the highly popular Evangelion pachislot series has maintained the appeal that is unique to Evangelion while constantly evolving in pursuit of new value ahead of its time.

This latest machine in the series realizes sweeping improvements both physically and in game functions. A new and dynamic machine body conveys the world of Evangelion, while the game itself has been fully loaded with visual effects which have been upgraded using elegantly rendered cutting-edge computer graphics and climactic scenes from the movies *Evangelion: 1.0 You Are (Not) Alone* and *Evangelion: 2.0 You Can (Not) Advance*.

This pachislot machine also newly features “MOBASLO,” a free service that integrates the machine with mobile website content. With “MOBASLO,” players can enjoy a broad array of content by participating in missions and limited-time-only events that link play content in the machine with mobile content.

Paving a new path to the future, this machine is not only pachislot enthusiasts, but a wide range of people including Evangelion and animation fans.

“MOBASLO Evangelion—for your own wish” pachislot machine is scheduled for delivery in March 2011 to pachinko halls throughout Japan.
