Launch of Rodeo's New Pachislot Machine "Rahxephon"

Fields Corporation (Head office: Shibuya-ku, Tokyo; President and COO: Takashi Oya) announces the nationwide release of the new pachislot machine from Rodeo Co., Ltd., "**Rahxephon.**"

Rahxephon was created as the "ultimate SF robot anime steeped in beauty and mystery." It aired on television in 2002 and was adapted as a theatrical release in 2003.

This pachislot machine gives a high-quality polish to the original animation, presenting the mysterious and beautiful world of Rahxephon more deeply than ever before. The machine features a new and innovative Assist Replay Time (ART) system that combines the elements of ART that have earned it popularity in the market, allowing players to fully enjoy the continuity and the building anticipation of the stunning story lines.

This machine which features a new ART system is not only for pachislot enthusiasts, but a wide range of people, including animation fans.

"Rahxephon" pachislot machine is scheduled for delivery in October 2011 to pachinko halls throughout Japan.
