Launch of Bisty's New Pachinko Machine "CR Beyond the Heavens"

Fields Corporation (Head office: Shibuya-ku, Tokyo; President and COO: Takashi Oya) announces the nationwide release of the new pachinko machine from Bisty Co., Ltd., called "CR Beyond the Heavens."

Beyond the Heavens (illustrated by King Gonta and written by Hag-In Lee) is a renowned comic series that was serialized from 1994 to 2005 in *MORNING* (Kodansha Ltd.). *Beyond the Heavens* became a best seller, with a total of more than 18 million copies of the 36 issue-comic published. From 2009, this popular series was turned into an animated television series on Nippon Television Network stations.

This machine recreates the world of the original comics, which depict the legend of Cao Cao (a character in the *Records of the Three Kingdoms*), through brand new, gorgeous videos. The gameplay increases the player's sense of expectation through intense battles and progress in which the destiny of the world is determined by the player's own actions.

This machine is not only intended for pachinko enthusiasts, but a wide range of people including fans of comic, animation and *Records of the Three Kingdoms*.

The new "CR Beyond the Heavens" pachinko machine is scheduled for delivery in May 2013 to pachinko halls throughout Japan.
