Fields Corporation (Head office: Shibuya-ku, Tokyo; President and COO: Takashi Oya) announces the nationwide release of a new pachinko machine from Bisty Co., Ltd., "CR EVANGELION 8."

EVANGELION: 3.0 YOU CAN (NOT) REDO, the third theatrical release in the Rebuild of Evangelion series, premiered in November 2012. It has become a record-breaking hit that has surpassed the second movie, enjoying a 6 month long theatrical run. The popular series has rapidly spread to a wide range of media through planned collaborations, and continues to gain new fans.

The much-loved "Evangelion series" of pachinko machines debuted in 2004, and the total number of machines sold exceeds 1.3 million.

"CR EVANGELION 8," the eighth machine in the series, is the first to be equipped with the "Real-time Battle" system. The feature allows players to fully enjoy heated battles between the Evangelion units and successive generations of Angels.

This highly-evolved machine is designed to be enjoyed by a wide range of users, from pachinko enthusiasts through to animation fans.

The "CR EVANGELION 8" pachinko machine is scheduled for delivery in July 2013 to pachinko halls throughout Japan.
